## Inbound Rotary Short Term Exchange Students Visit Rotary Club of Umhlanga

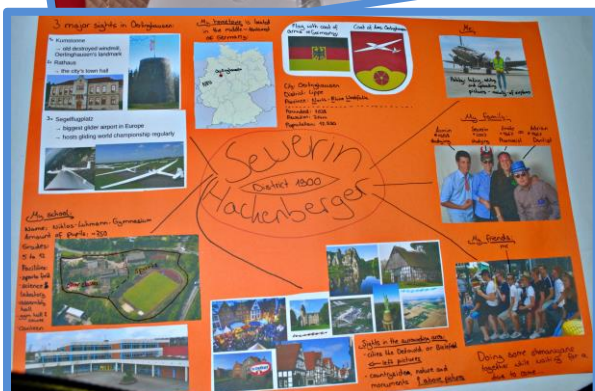

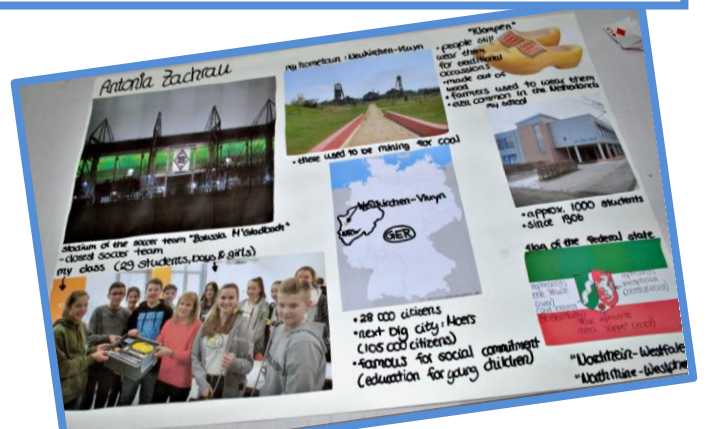

In keeping with this year's theme for Rotary International, "*Rotary Connects the World*", Club President Barry Roberts is seen with visiting Rotary Exchange students during a recent club visit. Students met with members and exchanged banners...

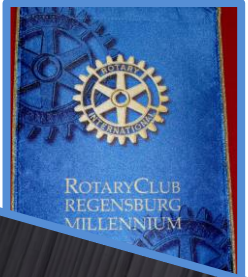

In coming Rotary exchange students, and host families, had the opportunity to attend a Rotary meeting, meet members and present posters that showed their home towns and districts. Most returned home by the end of August and our local students are counting the days until they travel on the outbound leg of the program towards the end of the year...

This is was started in association with Tongaat Hullet who have since withdrawn, the farm is now operated by Zakwe, the clubs first beneficiary.

*(below)*, The club made a donation towards the repair of bicycles for the Msikaba cycle project, run by Gary and Sharman Williams, who have delivered 125 bikes to community members in the area over the last year.

### New member induction

Rotary Club of Umhlanga recently inducted Aleathea Duncan-Brown into its ranks. Aleathea was supported by husband, Alan, and is seen receiving her pin from Club President Barry Roberts (*right*). We wish her many fruitful years of “Service above self”.

### Speaker James Rycroft

James Rycroft, an independent management consultant, who holds an MBA focusing on agri-sectors, addressed members on the heated topic of land distribution without compensation. He gave an inspiring view of current legislation and gave thought provoking insight into the various role players in the South African political arena. James conveyed a message that brings hope and sustainability to our country.

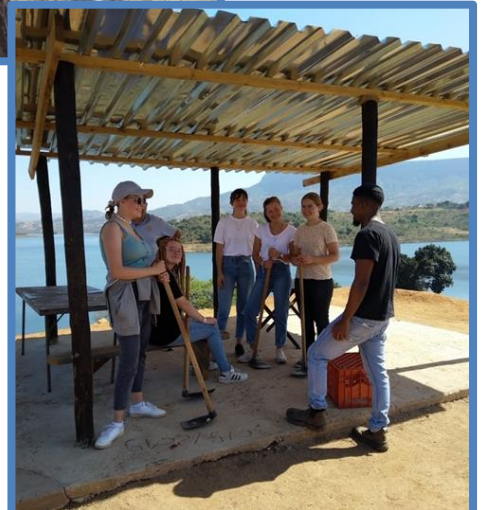

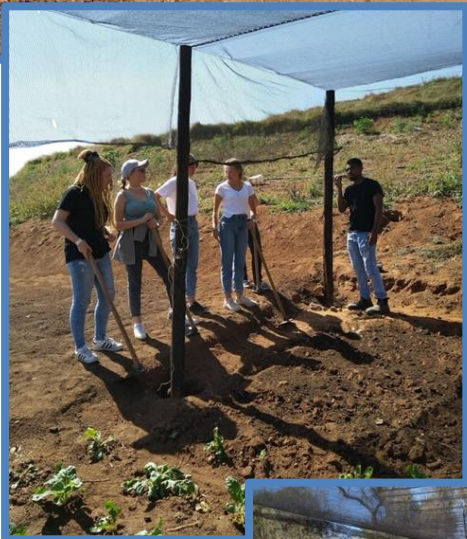

### Rotary Youth Exchange Cultural Tour

**Prior to departing for their home countries, youth exchange students were taken on a tour of Inyoni Primary School and The Inanda Farm Project, facilitated by Club President Barry Roberts. The students had a full day interacting with the school children, before spending time planting, fetching water and learning about life on a working rural farm. We trust that they have learnt about the diversity of life in Africa and that they leave with precious memories that will see them returning again to visit our beautiful land and its people.**

### Interact Club of Tongaat Secondary

A Sandfields family recently lost all their household contents when their home burnt down. At a Sandfields Civic Association meeting, members of the Interact Club of Tongaat Secondary learnt of their plight and donated items to the family. Members learnt that the family needed cupboards, and managed to secure a sponsorship that resulted in new cupboards and cabinets being delivered to this needy family. *"Service above self"...*

Dear Friends of Rotary

## 45th Rotary Golf Day - 17th November 2019

The members of the Rotary Club of Umhlanga are continually looking for opportunities to serve the community by assisting the less fortunate members of our society. Their ability to meet the many appeals for help that they receive depends entirely on the support and generosity of individuals and organisations such as yourselves.
