Magic Bean Foundation Talk

Rotarians were treated to an inspirational talk by Magic Bean Foundation members, Lorraine Evans and Shelley Stievenart. Through an interactive slide show and product samples, these two remarkable friends shared their journey to reach a dream to uplift and change local community members through hard work and dedication. The pair work with a small group of unemployed people to collect plastic bags, turn the bags into product and sell through craft markets in the Durban area. For additional information, the foundation can be contacted via email info@magicbeanfoundation.com

Simon Grainger, Marketing Consultant, Brandbright.

Simon gave an informal talk to Rotarians on what makes a brand strong and relevant.

He showcased some effective local and international brands and the platforms they use.

Going forward as a club, Simon asked some interesting questions regarding our club's brand strategy and how to grow through reaching the right target markets in the years to come.

Simon is seen (right) receiving the customary 4 way test from Rotarian Susan Van Der Merwe.

Waterloo Football Club received uniforms to assist in building team spirit and promoting a sense of unity and solidarity. The children are hard at work training and preparing to tackle games. Anyone wishing to assist with training or kit can contact Rotarian Carolann Lipschitz.
