### **Woza Moya and JAM SA**

**Following on a recent talk about community crèche project in Ifafa Valley, Rotarians Barry Roberts and Kerry Moss, introduced JAM SA to Woza Moya. JAM SA currently feed over 120,000 children at more than 2000 centers in 9 provinces across the country. They also distribute a million bowls of cereal to beneficiaries in Angola, South Sudan, Sierra Leone and Mozambique. Over the upcoming 90 days, JAM SA are rolling out the feeding scheme to the largest Woza Moya crèche, and from there to the outlying crèches. The aim is to feed 200 children in the Ifafa Valley at 11 crèches, a daily balanced meal that provides them with 75% of their daily macro/micro nutrient requirements.**

### **Project 10 Farewell**

**The current group of Project 10 volunteers, based in Durban North, recently bade farewell to Mbali and the pupils of Nyoni Primary School, with a movie evening for the children. The current group has been very active in our community and have given numerous talks to Rotarians at Rotary Club of Umhlanga weekly meetings, highlighting the work and projects that the team has undertaken to bring relief to those less fortunate. We all join together to wish them well in the future, and believe that their experience here in South Africa will remain in their hearts as a reminder that “Service above self” can be a positive and rewarding experience...**

**Rotary Club of Umhlanga looks forward to meeting and working with the incoming group of volunteers due in May this year.**
