Interact Club of Tongaat Secondary school have been hard at work making a difference in their local community. They had six projects on the go including bread donations to the Tongay pensioner's cottage and Diwali hampers for poor learners at the school.

October saw the club embark on a fund raising drive for CHOC. Each member chose a day to do a bake sale and were able to raise R7000.00 to support children with cancer.

Rotary Youth Exchange Drive 2018/19

Rotarian Susie van der Merwe has been hard at work with the Youth Exchange recruitment drive. The team has presented to no less than seven schools in the last two months. Application forms from four schools have been received, totaling 26 students to date. Our Lady of Fatima School has entered 19 students for approval. It is proposed that inbound exchange students become more involved in Rotary Club of Umhlanga projects during their exchange term. Final selection is underway and results will be available in the New Year for prospective students...

Milestone birthday for Twilanga resident...

Joyce Kirk, born in 1918, recently celebrated a century of life with her family and friends at Twilanga Retirement Village and care centre. Joyce has three daughters, four grandchildren and two great grandchildren. Umhlanga Rotarian Susan Dalais, manager at Twilanga, said the birthday was a joyous occasion, this being the third 100 year celebration in the past 15 years at the village...

October is Economic and Development Month.

UN reported that 470 million jobs are needed between 2016 and 2030 for new entrants, 2,2 billion people live below the poverty line of \$2 per day. In 2013, 840 million people worldwide suffered from chronic hunger, with 98% living in developing areas-The 16 October was International Food Day and the figure is 870 million now.

By 2050, 70% of the world's population will be living in urban areas compared to 49% today. Women perform 66% of the worlds work in Agriculture and produce 50% of the food, but only earn 10% of the income and own 1-2% of the land/property.

Unemployment, lack of training/economic opportunities and poor social services are the main cause of poverty. Agriculture is the main source of income/employment for 70% of the world's poor who live in rural areas and the world has to increase food production by 70% by 2050.

Worldwide, developing nations Rotary Clubs have assisted by partnering with clubs from North America, Europe and Australia to build and promote sustainable agricultural projects to uplift impoverished communities. Apart from the war on polio, Rotarians have led the drive to bring clean water, sanitation, food and education to those in need. Our own club has partnered to change lives in Inanda, Waterfall and our local communities... *Statistics kindly submitted by Rotarian Andre Hattingh.*

DUNDEE

Dear Tish
On behalf of the Dundee Crises Centre we wish to express our appreciation for the donations that the Umhlanga Rotary Club have collected from the Oyster Box in Umhlanga.

We have received donations on three occasions from them and am just so grateful for their kindness extended to our residents and the old age people.

Our Centre residents are always 99% black and they really are thankful for the donations.

“the tail end”

The Rotary Four Way Test of the things we think, say & do

****is it the truth?***

****is it fair to all concerned?***

****will it build goodwill and better friendships?***

****will it be beneficial to all concerned?***

Three Rotary Graces

****For food, fellowship and family we thank you, O Lord. Keep us ever mindful of the needs of others. AMEN***

****We thank you O Lord for this food and those who prepare and serve it.***

Help us to meet the deeper needs of our community. AMEN

****We praise you Lord for the enrichment of our lives through the fellowship of Rotary.***

As we have so freely received, may we generously give of ourselves in

the service of others. AMEN
